Membership

You can pay your New Membership or Annual Dues at the same time as you send in your Registrations, Transfers, etc. Everything can be on ONE check (payable to NCWGA).

Types of Registrations

*****Animals fleece must be at least 35% colored.*****

CR (Certified Registered) means BOTH parents are Registered with NCWGA.

See CR Registration Application Page One for Required Information and Instructions.

PR (Pedigree Registered) means one OR both of the Parents are NOT Registered with NCWGA, but you at least have Tag#s and/or names and/or other Reg#s.

See PR Registration Application Page one for Required Information and Instructions.

PL (Pedigree Listed) means you have absolutely no information about either one or both of the parents, and/or the Breeder is unknown or not a member of NCWGA.

See PL Registration Application Page One for Required Information and Instructions.

Please select appropriate Registration Application based on the type of Registration.

Any of the required fields left blank will delay the processing.

Please do NOT put dashes or N/A in unused boxes.

Explanation of "Hot Rush": This doesn't just mean we move you to the front of line. It means we drop everything and work even faster to get this done. When there are multiple Hot Rushes (which we get a tremendous amount prior to any shows), it is a first come/first serve policy.

If there are any issues with the information on the documents, it will be On Hold until the problems are resolved.

For Transfers after **New** Registrations, print the Transfer Form.
If you do not own the Sire of the animal being registered, print the Certificate of Service form.
